

For your consideration, we offer BEEF from 100% grass-fed & grass-finished Belted Galloway Cattle. Our cattle are born and raised on pasture (as nature intended) and are never administered antibiotics or hormones. They are humanely handled at all stages of life and processed at a small USDA Certified facility to ensure proper treatment and care at harvest.

Our BEEF is aged for a minimum of 14 days and then vacuum packed and frozen to maintain freshness.

BEEF PRICE LIST **SPRING SALE - 50% OFF ALL BEEF**
